New Year's Day.

I love New Year's Day! To me, this is a day when my family get together and enjoy themselves. On January 1st, my house is always full of aunts, uncles, and cousins who I haven't seen for ages and we all have the chance to catch up with each other's news.

My mum always makes a delicious roast beef lunch and we all sit around the table and eat, talk and laugh for hours. After this huge meal, it's time to watch the Rose Bowl. The Rose Bowl is one of the most important football championship in American League football. Everybody has their favourite team and sometimes the yelling and cheering can get very loud!

The food and the football are all great, but I think the best part of the day is when we make our New Year resolutions. Although most people don't keep their New Year promises, it is interesting to hear what everybody wants to change about themselves!

Russian dachas

Many Russian people have a small piece of land in the country called "dacha". They often have a small house there where they can relax or grow fruit and vegetables in the garden.

Dachas are usually a few kilometers outside the city. So on Friday evening and Saturday morning thousands of cars, busses and local trains transport millions of people to their dachas. People take bags, backpacks and small carts with what they need for a relaxing weekend at the dacha. You can often see cats and dogs in the cars as people usually take their pets with them. People spend their weekends at their dachas during the spring, summer and autumn.
